

A Manex Resource Group Company

## President's Letter

### REPORT TO SHAREHOLDERS:

Our Company has made several important advances recently as it advances its mineral properties to resource status with development potential, these include:

**OTCQB listing in the US** – In addition to the Company's listings in Canada (TSX.V: BVA) and in Europe (Stuttgart: BRTN), Bravada's common shares are now listed in the U.S. (OTCQB: BGAVF), with real-time quotes available at <http://www.otcmarkets.com/stock/BGAVF/quote>.

**Partner-funded programs** – Partners spent approximately US\$1.5million on Bravada's properties during 2016, resulting in the discovery of shallow, oxide gold mineralization at **Baxter** and in the refined high-grade gold targets that are currently being permitted for 2017 drilling at **Quito**. A summary of expected work by partners follows:

**Baxter** – We expect our funding partner to begin a 3<sup>rd</sup>-phase drilling program early in the 2nd quarter.

**Quito** – We expect our funding partner to begin drilling targets currently being permitted early in the 3rd quarter.

**Shoshone Pediment** – Mine permitting continues, with Bravada holding a royalty on eventual barite production.

**North Lone Mountain and South Lone Mountain** – Plans have not been finalized for the Company's two claim groups; however, Nevada Zinc continues to expand the footprint of zinc mineralization on its claims in the direction of Bravada's South Lone Mountain claims (see Nevada Zinc Corporation's news release of January 11, 2017). Should Nevada Zinc complete the purchase of these claims, Bravada will retain an attractive royalty on base and precious metals.

**Bravada-funded programs** – Bravada plans limited "proof of concept" drilling programs at two of its projects:

**Wind Mountain** – Bravada plans to drill-test for high-grade "Hishikari-type" gold/silver vein mineralization beneath the existing disseminated resource at the Wind Mountain property. Drilling is expected to begin during the 2nd quarter.

**SF** – Bravada plans to drill-test for high-grade "Carlin-type" gold mineralization at the SF property. Drilling is expected to begin late in the 2nd or early in the 3rd quarter.

**Other Nevada Properties** – The Company continues to seek appropriate funding partners to advance its other properties, many of which have significant gold intercepts in prior drill holes and have targets delineated for additional drilling. A limited amount of targeting is planned for several of these properties to further refine targets that could be attractive for new partners to drill test.

**Financings** – The Company completed an over-subscribed financing of \$550,000 in April of 2016 and is conducting a \$1,000,000 financing as I write this, with two tranches totalling \$513,000 already closed.

Bravada follows a portfolio approach to exploration, focusing on Nevada where the Company has extensive experience. The Company focuses on properties that have the potential to host high-margin gold deposits, and where the Company has a clear path to upgrade the properties for JV partnership or sale. Bravada has 12 high-potential properties, of which five are now funded by partners. Important new discoveries continue to be made in Nevada, demonstrating that exploration dollars can be well rewarded in the State.

Management and directors wish to thank shareholders for their continuing support and confidence.

**MANAGEMENT INFORMATION CIRCULAR  
AS AT AND DATED FEBRUARY 21, 2017**  
(unless otherwise noted)

This Management Information Circular (“Information Circular”) accompanies the Notice of the 2017 Annual General Meeting (“Notice of Meeting”) of holders of common shares (“shareholders”) of Bravada Gold Corporation (the “Company”) scheduled to be held on Thursday, March 30, 2017 (the “Meeting”), and is furnished in connection with a solicitation of proxies for use at that Meeting and at any adjournment or postponement thereof.

**PERSONS OR COMPANIES MAKING THE SOLICITATION**

**THE FORM OF PROXY ACCOMPANYING THIS INFORMATION CIRCULAR  
IS BEING SOLICITED BY MANAGEMENT OF THE COMPANY**

Solicitations will be made by mail and possibly supplemented by telephone, electronic means or other personal contact to be made without special compensation by directors, officers and employees of the Company. The Company may reimburse shareholders’ nominees or agents for the cost incurred in obtaining from their principals authorization to execute forms of proxy. It is not anticipated that any solicitation will be made by specially engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the Information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

**APPOINTMENT OF PROXYHOLDER**

**Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting.** Those shareholders who desiring may be represented by proxy at the Meeting. The persons named in the form of proxy accompanying this Information Circular are directors and/or officers of the Company (“Management Appointees”). **A shareholder has the right to appoint a person or company (who need not be a shareholder) to attend and act on the shareholder’s behalf at the Meeting other than the Management Appointees.** To exercise this right, the shareholder must either insert the name of the desired person in the blank space provided in the form of proxy accompanying this Information Circular and strike out the names of the Management Appointees or submit another proper form of proxy.

**NON-REGISTERED SHAREHOLDERS**

**Only shareholders whose names appear on the records of the Company (“registered shareholders”) or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are not registered shareholders because the shares they own are not registered in their names.** More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the “Non-Registered Holder”) but which are registered either: (a) in the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with in respect of the shares including, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESP’s and similar plans; or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant. In accordance with current securities regulatory policy, the Company has distributed copies of the Notice of Meeting, this Information Circular and the form of proxy accompanying this Information Circular (collectively, the “Meeting Materials”) to the clearing agencies and Intermediaries.

Current securities regulatory policy requires Intermediaries to forward the Meeting Materials to, and to seek voting instructions from, Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries will often use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete this form of proxy and **submit it to the Company, c/o Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 9<sup>th</sup> Floor, Toronto, Ontario, M5J 2Y1, fax number: (416) 263-9261;** or

- (b) more typically, be given a voting instruction or proxy authorization form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Non-Registered Holder and **returned to the Intermediary or its service company**, (such as Broadridge Financial Solutions Inc.), will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code and other information. In order for this proxy form to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the proxy form, properly complete and sign the proxy form and return it to the Intermediary or its service company, or otherwise communicate voting instructions to the Intermediary or its service company (by way of telephone or Internet, for example) in accordance with the instructions of the Intermediary or its service company. **A Non-Registered Holder cannot use a proxy authorization form to vote shares directly at the Meeting.**

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares which they beneficially own.

The Meeting Materials are being sent to both registered and non-registered owners of shares. If you are a Non-Registered Holder and the Company or its agent has sent the Meeting Materials directly to you as a non-objecting beneficial owner under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding shares on your behalf. By choosing to send the Meeting Materials to you directly, the Company (and not the Intermediary holding shares on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Management of the Company does not intend to pay for Intermediaries to forward to objecting beneficial owners under NI 54-101 the Meeting Materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*, and in the case of an objecting beneficial owner, the objecting beneficial owner will not receive the Meeting Materials unless the Intermediary holding shares on behalf of the objecting beneficial owner assumes the cost of delivery.

**Non-Registered Holders cannot be recognized at the Meeting for purposes of voting their shares in person or by way of depositing a form of proxy.** If you are a Non-Registered Holder and wish to vote in person at the Meeting, please see the voting instructions you received or contact your Intermediary well in advance of the Meeting to determine how you can do so.

**Non-Registered Holders should carefully follow the voting instructions they receive, including those on how and when voting instructions are to be provided, in order to have their shares voted at the Meeting.**

#### DEPOSIT AND VOTING OF PROXIES

To be effective, the instrument of proxy must be dated and signed and, together with the power of attorney or other authority, if any, under which it is signed or a notarially certified copy thereof, deposited either at the office of Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 9<sup>th</sup> Floor, Toronto, Ontario, M5J 2Y1, or at the Head Office of the Company at Suite 1100 - 1199 West Hastings Street, Vancouver, British Columbia, V6E 3T5 not less than 48 hours, Saturdays, Sundays and holidays excepted, prior to the time of the holding of the Meeting or any adjournment or postponement thereof. Late proxies may be accepted or rejected by the Chairman of the Meeting in the Chairman’s discretion, and the Chairman is under no obligation to accept or reject any particular late proxy.

THE SHARES REPRESENTED BY A PROPERLY EXECUTED AND DEPOSITED PROXY WILL BE VOTED OR WITHHELD FROM VOTING ON EACH MATTER REFERRED TO IN THE NOTICE OF MEETING IN ACCORDANCE WITH THE INSTRUCTIONS GIVEN (provided such instructions are certain) ON ANY BALLOT THAT MAY BE CALLED FOR AND, IF A CHOICE IS SPECIFIED WITH RESPECT TO ANY MATTER TO BE ACTED UPON AT THE MEETING, THE SHARES SHALL BE VOTED OR WITHHELD FROM VOTING ACCORDINGLY. **WHERE NO CHOICE IS SPECIFIED IN RESPECT OF ANY MATTER TO BE ACTED UPON AND ONE OF THE MANAGEMENT APPOINTEES IS NAMED IN THE FORM OF PROXY TO ACT AS THE SHAREHOLDER’S PROXYHOLDER, THE SHARES REPRESENTED BY THE PROXY WILL BE VOTED IN FAVOUR OF ALL SUCH MATTERS.** THE FORM OF PROXY ACCOMPANYING THIS INFORMATION CIRCULAR GIVES THE PERSON OR COMPANY NAMED AS PROXYHOLDER DISCRETIONARY AUTHORITY REGARDING AMENDMENTS OR VARIATIONS TO MATTERS IDENTIFIED IN THE NOTICE OF MEETING AND OTHER MATTERS THAT MAY PROPERLY COME BEFORE THE MEETING. IN THE EVENT THAT AMENDMENTS OR VARIATIONS TO MATTERS IDENTIFIED IN THE NOTICE OF MEETING ARE PROPERLY BROUGHT BEFORE THE MEETING OR ANY OTHER BUSINESS IS PROPERLY BROUGHT BEFORE THE MEETING, IT IS THE INTENTION OF THE MANAGEMENT APPOINTEES TO VOTE IN ACCORDANCE WITH THEIR BEST JUDGMENT ON SUCH MATTERS OR BUSINESS ON ANY BALLOT THAT MAY BE CALLED FOR. AT THE TIME OF PRINTING THIS INFORMATION CIRCULAR, MANAGEMENT KNOWS OF NO SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS WHICH MAY BE BROUGHT BEFORE THE MEETING.

### REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the registered shareholder or the registered shareholder's attorney authorized in writing, or if the registered shareholder is a corporation, by a duly authorized officer or attorney thereof, and deposited either at the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting, or any adjournment or postponement thereof, or, as to any matter in respect of which a vote shall not already have been cast pursuant to such proxy, with the Chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof, and upon either of such deposits the proxy is revoked.

Only registered shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must arrange for their Intermediaries to revoke the proxy on their behalf.

### VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of Common Shares without par value. There is one class of shares only and there are 37,494,364 Common Shares issued and outstanding. The directors have determined that all shareholders of record as of the 21<sup>st</sup> day of February, 2017 will be entitled to receive notice of and to vote at the Meeting.

At a General Meeting of the Company, on a show of hands, every registered shareholder present in person and entitled to vote and every proxyholder duly appointed by a registered shareholder who would have been entitled to vote shall have one vote and, on a poll, every registered shareholder present in person or represented by proxy or other proper authority and entitled to vote shall have one vote for each share of which such shareholder is the registered holder. Shares represented by proxy will only be voted as to the number of shares represented if a poll or ballot is called for. A poll or ballot may be requested by a registered shareholder or proxyholder present and entitled to vote at the Meeting or required because the number of votes attached to shares represented by proxies that are to be voted against a matter is greater than 5% of the votes attached to all shares that are entitled to be voted and to be represented at the Meeting.

To the knowledge of the directors and executive officers of the Company, as at the date of this Information Circular, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities carrying 10% or more of the outstanding voting rights of the Company.

### ELECTION OF DIRECTORS

Each director of the Company is elected annually and holds office until the next Annual General Meeting of the shareholders unless that person ceases to be a director before then. **Unless such authority is withheld, the Management Appointees intend to vote the shares represented by proxy for the election of the nominees herein listed on any poll or ballot that may be called for.**

MANAGEMENT DOES NOT CONTEMPLATE THAT ANY OF THE NOMINEES HEREIN LISTED WILL BE UNABLE TO SERVE AS A DIRECTOR. IN THE EVENT THAT PRIOR TO THE MEETING ANY VACANCIES OCCUR IN THE SLATE OF NOMINEES HEREIN LISTED, IT IS INTENDED THAT DISCRETIONARY AUTHORITY SHALL BE EXERCISED BY THE MANAGEMENT APPOINTEES, IF NAMED IN THE PROXY, TO VOTE THE SHARES REPRESENTED BY PROXY FOR THE ELECTION OF ANY OTHER PERSON OR PERSONS AS DIRECTORS UNLESS THE SHAREHOLDER HAS SPECIFIED THAT THE SHARES REPRESENTED BY PROXY ARE TO BE WITHHELD FROM VOTING IN THE ELECTION OF DIRECTORS.

Management proposes that the number of directors for the Company be determined at seven (7) for the ensuing year, subject to such increases as may be permitted by the Articles of the Company, and that each of the following persons be nominated for election as a director of the Company for the ensuing year. "executive officer" means an individual who is a chair, vice-chair or president of the Company, a vice-president in charge of a principal business unit, division or function including sales, finance or production of the Company and an individual who is performing a policy-making function in respect of the Company.

"NEO" or "Named Executive Officer" means each of the following individuals:

(i) a CEO;

(ii) a CFO;

(iii) each of the three most highly compensated executive officers of the Company, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and

Kizis, Jr., the Company's President (CEO), and Graham Thatcher, the Company's Chief Financial Officer (CFO). ### COMPENSATION DISCUSSION AND ANALYSIS

The purpose of this Compensation Discussion and Analysis ("CD&A") is to provide information about the Company's executive compensation objectives and processes and to discuss compensation decisions relating to its NEOs.

The primary goal of the Company's executive compensation program is to attract and retain the key executives necessary for the Company's long term success and to motivate and encourage executives to further development of the Company and its operations. Executive compensation consists of consulting fees and long-term incentive stock options.

The Company is an exploration stage company engaged in the acquisition and exploration of mineral natural resource properties. The Company has no revenues from operations and often operates with limited financial resources to ensure that funds are available to complete scheduled programs. Accordingly, the granting of stock options is an important element of executive compensation which does not require cash disbursement by the Company. In determining compensation with respect to stock option grants, however, the Company is cognizant of the TSX Venture Exchange statement in its Policy 4.4 that: "Incentive stock options are a means of rewarding optionees for future services provided to the Issuer. They are not intended as a substitute for salaries or wages, or as a means of compensation for past services rendered." The Board of Directors, taking into consideration previous grants of stock options, determines the compensation in the form of stock options to its NEOs, as well as to its directors. Stock options are granted in accordance with the Company's Stock Option Plan, discussed below under the heading Incentive Plan Awards, at an exercise price of not less than the last closing price on the TSX Venture Exchange of the common shares before the date of the grant of such options, less the maximum discount permitted under the policies of the TSX Venture Exchange. The Stock Option Plan provides that the aggregate number of common shares subject to options under the Stock Option Plan shall not exceed 10% of the common shares issued and outstanding of the Company. The normal term of the options is five years from the date of grant. In the event of resignation or termination of an optionee, such optionee may exercise options held by such optionee for a period of 90 days following the effective date of such resignation or for a time as otherwise determined by a directors' resolution at the time of the grant of the options. In the event of an optionee's death, the stock option may be exercised by a qualified successor until the earlier of a period of one year from the date of such death and the expiry date of the stock option. The board of directors did not consider the implications of the risks associated with the Company's compensation policies and practices. None of the NEOs or directors are permitted to purchase financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by such NEOs or directors.

**Narrative Discussion**

The Company had no direct employees in the fiscal years ended July 31, 2016 and July 31, 2015. Joseph A. Kizis, Jr. charged US \$75,000 for the provision of CEO services to the Company during the year ended July 31, 2016 pursuant to a consulting agreement between Mr. Kizis, the Company and its subsidiary, Bravo Alaska, Inc. (2015: US\$75,000, 2014: US\$75,000). Pursuant to a consulting agreement dated April 1, 2013, as renewed, Graham Thatcher charged the Company \$1,000 per month for the provision of CFO services. The option based award of \$59,931 in 2016 is the fair value of 300,000 options granted to Joseph A. Kizis, Jr. and 150,000 options granted to Graham Thatcher pursuant to the Company's Stock Option Plan. The option based award of \$11,687 in 2015 is the fair value of 90,000 options granted to Joseph A. Kizis, Jr. and 65,000 options granted to Graham Thatcher pursuant to the Company's Stock Option Plan.

**INCENTIVE PLAN AWARDS**

**Named Executive Officers**

**Outstanding share based awards and option based awards**

The Company has a shareholder-approved Stock Option Plan in place for the purpose of attracting and motivating directors, officers, employees and consultants of the Company and advancing the interests of the Company by affording such persons the opportunity to acquire an equity interest in the Company through rights granted under the Stock Option Plan. A complete description of the Company's Stock Option Plan is set forth below under the heading "Particulars of Other Matters to be Acted Upon – Stock Option Plan". The Company does not have any share-based awards in place. The following table summarizes the outstanding option-based awards and share-based awards to the Named Executive Officers as at the Company's most recently completed financial year.

The following table summarizes the value of each incentive plan award vested or earned by each NEO during the Company's most recently completed financial year.

<b>Name</b>	<b>Option-based awards – Value vested during the year<sup>(1)</sup> (\$)</b>	<b>Share-based awards – Value vested during the year<sup>(1)</sup> (\$)</b>	<b>Non-equity incentive plan compensation – Value earned during the year (\$)</b>
<b>Joseph A. Kizis, Jr.</b> <b>CEO</b>	N/A	N/A	N/A
<b>Graham Thatcher</b> <b>CFO</b>	N/A	N/A	N/A

### TERMINATION AND CHANGE OF CONTROL BENEFITS

The Company has no contract, agreement, plan or arrangement in place that provides for payments to a Named Executive Officer at, following or in connection with any termination, resignation, retirement, a change in control of the Company or a change in a Named Executive Officer's responsibilities, other than a consulting agreement dated May 1, 2015 between Joseph A. Kizis, Jr., the Company, and the Company's wholly-owned subsidiaries, Bravo Alaska, Inc. ("Alaska") and Rio Fortuna Exploration (U.S.) Inc. Pursuant to this agreement, the Company, through Alaska, pays Mr. Kizis US\$6,250 per month in consideration for his services as a geological consultant and President of the Company. The consulting agreement has a five year term and Mr. Kizis may be eligible to participate in future stock option grants of the Company. Mr. Kizis may terminate the consulting agreement with two months' notice. The Company may terminate the consulting agreement with two months' notice to Mr. Kizis due to breach, misconduct, or in the case that Mr. Kizis becomes bankrupt, of unsound mind or is convicted of a criminal offence. Upon a change of control, as defined in the consulting agreement, Mr. Kizis has the right to terminate the consulting agreement and receive 100% of the compensation due to him for the unexpired term of the consulting agreement. Upon a change of control, and assuming the triggering event took place on the last business day of the Company's most recently completed financial year the estimated payment to Mr. Kizis would be US\$281,250.

#### **INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS**

None of the current or former directors, executive officers or employees of the Company or any of its subsidiaries, no proposed nominee for election as a director of the Company, and no associate or affiliate of any of them is or has been indebted to the Company or any of its subsidiaries at any time since the beginning of the Company's last completed financial year nor has any such person been indebted to any other entity where such indebtedness is the subject of a guarantee, support agreement, letter of credit or similar arrangement or understanding provided by the Company.

#### **CORPORATE GOVERNANCE**

*National Instrument 58-101 – Disclosure of Corporate Governance Practices* ("NI 58-101"), adopted by the Canadian Securities Administrators, requires issuers to disclose their governance practices in accordance with that instrument. The Company is a "venture issuer" within the meaning of NI 58-101. A discussion of the Company's governance practices within the context of NI 58-101 is set out below.

#### **Board of Directors**

The Board of Directors of the Company (the "Board") facilitates its exercise of independent supervision over management by ensuring that a majority of its members are independent of the Company. Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the view of the Company's Board, be reasonably expected to interfere with the exercise of a director's independent judgment. The independent members of the Board are John Kerr, Michael Rowley, G. Ross McDonald, Nigel Bunting and Donald Head. The non-independent directors are Joseph A. Kizis, Jr. who is the President, and Lawrence Page who is the Chairman and is President of a company providing administrative services and office accommodation to the Company.

#### **Directorships**

Certain of the Company's directors are also directors of other reporting issuers (or equivalent), as disclosed in the following table:

### **Orientation and Continuing Education**

The Company does not provide formal continuing education to its Board members, but does encourage them to communicate with management, auditors and technical consultants. Board members have access to Company policies, corporate governance documents, technical data and financial information 24 hours a day through an internet-based software support system.

### **Ethical Business Conduct**

The Company has adopted a Code of Business Conduct and Ethics (the "Code") which addresses compliance with laws, conflicts of interest, honesty and integrity, fair dealing, discrimination and harassment, safety and health, honest and accurate record keeping, and specifically ethical conduct for financial managers. A copy of the Code is available on the Company's webpage at [www.bravadagold.com](http://www.bravadagold.com) and has also been provided to the Company's directors, officers and employees. Company personnel are encouraged to speak with their supervisors or other management to obtain guidance in complying with the Code or to report any violations of the Code.

The Company has established a whistleblower policy and has engaged the services of Whistleblower Security Inc., a third party service provider which provides Company personnel with a confidential channel to report serious concerns relating to financial reporting or unethical or illegal conduct.

The Board takes steps to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest. The Board ensures that the directors are familiar with the Code as well as their obligations to disclose any material interest in a transaction or contract and to abstain from voting on any resolution to approve such transaction or contract.

### **Nomination of Directors**

When a Board vacancy occurs or is contemplated, any director may make recommendations to the Board as to qualified individuals for nomination to the Board. In identifying new candidates, the directors will take into account the mix of director characteristics and diverse experiences, perspectives and skills appropriate for the Company at that time.

### **Compensation**

As the Company does not have a compensation committee, the Board determines any compensation payable to the directors and officers. The Board assesses the compensation of directors and officers on an ongoing basis taking into account the responsibilities and obligations involved with such positions as well as the financial status of the Company.

The Board also determines compensation in the form of stock option grants to its directors and officers, although such options are considered a means of rewarding optionees for future services provided to the Company rather than as compensation for past services. No compensation is currently paid to the directors, other than by way of stock option grants.

### **Other Board Committees**

Other than the Audit Committee discussed below, the Board has no other standing committees.

### **Assessments**

The Company does not have a formal process to review the performance of the Board, its committees and individual directors. The Board conducts ongoing informal assessments and evaluations, including considering the skills and experiences of each director individually and as part of a team. Particular consideration is given to the composition of the Audit Committee with skilled members that are both financially literate and independent.

## **AUDIT COMMITTEE**

The Audit Committee of the Board of Directors of the Company is comprised of G. Ross McDonald, John Kerr and Michael Rowley, all of whom are considered to be "financially literate" and are "independent" as those terms are defined in National Instrument 52-110 *Audit Committees*. The education and experience of each member relevant to the performance of such member's responsibilities as an Audit Committee member are as follows:

Working principally with clients related to mining and mineral exploration, he is also involved as director of several junior resource companies.

John Kerr: Mr. Kerr graduated from the University of British Columbia in 1964 with a BSc degree in Geological Engineering. He has served as a director of several public companies and is an audit committee member of Quaterra Resources Inc., Canyon Copper Corp. and Eureka Resources, Inc. Through such positions he has been responsible for receiving financial information relating to a company and obtaining an understanding of the balance sheet, income statement and statement of cash flows and how these statements are integral in assessing the financial position of a company and its operating results.

Michael Rowley: Mr. Rowley obtained a Bachelor of Science Degree from the University of British Columbia in 1990 and has over twenty years executive experience with private companies in the mining and mineral testing industries. He is currently the President and a director of Group Ten Metals Inc. as well as director and audit committee member of Granite Creek Gold Ltd. Mr. Rowley's experience with such companies as well as his position as a director of the Company has provided him with an understanding of accounting principles and the ability to analyze and evaluate financial statements.

A copy of the Audit Committee Charter is attached hereto as Schedule "A".

The Audit Committee provides review and oversight of the Company's accounting and financial reporting process, and the audit process, including the selection, oversight, and compensation of the Company's external auditor. Since the commencement of the Company's most recently completed financial year, the Company's Board of Directors has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

The Company, as a "venture issuer", is relying on the exemption in section 6.1 of National Instrument 52-110 *Audit Committees* which provides that the Company is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of National Instrument 52-110.

### **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

### **MANAGEMENT CONTRACTS**

There are no management functions of the Company, which are, to any substantial degree, performed by a person other than the directors or executive officers of the Company.

### **PARTICULARS OF OTHER MATTERS TO BE ACTED UPON**

#### **Stock Option Plan**

At the Meeting, shareholders will be asked to approve the Company's proposed 2017 Rolling Incentive Stock Option Plan (the "2017 Plan").

The purpose of the proposed 2017 Plan is to provide the directors, executive officers and key employees of, and certain other persons who provide services to, the Company and its subsidiaries with an opportunity to purchase shares of the Company and benefit from any appreciation in the value of the Company's shares. This will provide an increased incentive for these individuals to contribute to the future success and prosperity of the Company, thus enhancing the value of the Company's shares for the benefit of all the shareholders and increasing the ability of the Company and its subsidiaries to attract and retain skilled and motivated individuals in the service of the Company.

The proposed 2017 Plan is a "rolling" plan that provides that the aggregate number of shares reserved for issuance under it, and all of the Company's other previously established and outstanding stock option plans or grants, is 10% of the Company's issued common shares at the time of the grant of a stock option under the proposed 2017 Plan.

The proposed 2017 Plan provides that the option exercise price, as determined by the Board of Directors, must not be less than the closing price of the Company's common shares on the TSX Venture Exchange (the "Exchange") on the day immediately preceding the date of grant, less the applicable discount permitted by the policies of the Exchange. The maximum term of the options granted under the 2017 Plan is ten years from the date of grant, however the normal term of the options is five years. The Board of Directors of the Company may determine the limitation period during which an option may be exercised and, notwithstanding that none may be required by the policies of the Exchange, whether a particular grant will have a minimum vesting period. In the event of resignation or termination of an optionee, such optionee may exercise options held by such optionee for a period of 90 days following the effective date of such resignation or for a time as otherwise determined by a directors' resolution at the time of the grant of the options. In the event of an optionee's death, the stock option may be exercised by a qualified successor until the earlier of a period of one year from the date of such death and the expiry date of the stock option. As a "rolling" plan, any amendment to the proposed 2017 Plan will require the approval of the Exchange and may require shareholder approval.

The granting of stock options under the proposed 2017 Plan is restricted as follows: (a) the number of options granted to a consultant in a 12-month period must not exceed 2% of the issued shares of the Company at the time of grant of the stock option; and (b) the aggregate number of options granted to employees involved in investor relations activities must not exceed 2% of the issued shares of the Company in any 12-month period, at the time of grant of the stock option.

In accordance with the terms of the proposed 2017 Plan, it is subject to its acceptance for filing by the Exchange and the approval of the Company's shareholders. Under the policies of the Exchange, if:

- a) the grants of options under the proposed 2017 Plan to "insiders" of the Company, together with all of the Company's outstanding stock options, could result at any time in:
  - (i) the number of shares reserved for issuance pursuant to stock options granted to insiders of the Company exceeding 10% of the issued common shares of the Company; or
  - (ii) the grant to insiders of the Company, within a 12-month period, of a number of options exceeding 10% of the issued common shares of the Company; or
- b) the number of shares reserved for issuance pursuant to stock options granted to any one optionee, within a 12-month period, exceeding 5% of the issued common shares of the Company;

such shareholder approval must be “disinterested shareholder approval”, but as the proposed 2017 Plan is restrictive as to these results, disinterested shareholder approval of the proposed 2017 Plan is not required.

The policies of the Exchange and the terms of the proposed 2017 Plan also provide that “disinterested shareholder approval” will be required for any agreement to decrease the exercise price of options previously granted to insiders of the Company but no such agreements are being brought before the Meeting.

The term “disinterested shareholder approval” means approval by a majority of the votes cast at the Meeting other than votes attaching to shares of the Company beneficially owned by insiders of the Company to whom options may be granted under the proposed 2017 Plan and associates of such persons. The term “insiders” is defined in the *Securities Act* (British Columbia) and generally includes directors and officers of the Company and its subsidiaries, and holders of greater than 10% of the voting securities of the Company. The term “associates” is defined in the *Securities Act* (British Columbia).

If shareholder approval of the proposed 2017 Plan or a modified version thereof is not obtained, the Company will not proceed to implement the proposed 2017 Plan nor grant options under it. Even if approved, the directors may determine not to proceed with the proposed 2017 Plan.

The proposed 2017 Plan will be available for inspection at the Meeting. The directors recommend that the shareholders approve the proposed 2017 Plan.

## **Approval and Authorization of Shareholder Rights Plan (“Rights Plan”)**

### **Purpose of the Rights Plan**

The objectives of the Rights Plan are to ensure, to the extent possible, that all shareholders are treated equally and fairly in connection with any take-over bid or similar proposal to acquire common shares of the Company.

Take-over bids may be structured in such a way as to be coercive or discriminatory in effect, or may be initiated at a time when it will be difficult for the Board of Directors of the Company to prepare an adequate response. Such offers may result in shareholders receiving unequal or unfair treatment, or not realizing the full or maximum value of their investment in the Company.

The Rights Plan discourages the making of any such offers by creating the potential of significant dilution to any offeror who does so. This potential is created through the issuance to all shareholders of contingent rights to acquire additional common shares of the Company at a significant discount to then prevailing market prices, which could, in certain circumstances, become exercisable by all shareholders other than an offeror and its associates, affiliates and joint actors.

An offeror can avoid that potential by making an offer that either: (i) qualifies as a “Permitted Bid” under the Rights Plan, and therefore meets certain specified conditions (including a minimum deposit period of 105 days) which aim to ensure that all shareholders are treated fairly and equally; or (ii) does not qualify as a “Permitted Bid” but is negotiated with the Company and has been exempted by the Board of Directors from the application of the Rights Plan in light of the opportunity to bargain for agreed terms and conditions to the offer that are believed to be in the best interests of shareholders.

Notwithstanding that there have been recent amendments to the current Canadian securities legislation which include, inter alia, an increased minimum deposit period from 35 days to 105 days, the Board of Directors believes that the adoption of the Rights Plan remains in the best interests of the Company and will ensure that all shareholders have an equal opportunity to participate in a change of control transaction.

The Rights Plan is not being proposed in response to, or in anticipation of, any pending, threatened or proposed acquisition or take-over bid that is known to the management of the Company. The adoption of the Rights Plan is also not intended as a means to prevent a take-over of the Company, to secure the continuance of management or the directors in their respective offices, or to deter fair offers for the common shares of the Company.

For a summary of the key terms and conditions of the Rights Plan, please see Schedule “B” to this Information Circular. Shareholders are urged to carefully review the summary in its entirety.

### **Approval Requirements**

Shareholder approval of a Rights Plan is required under the rules and policies of the Exchange. The Company is not currently aware of any shareholder whose votes will be ineligible to be counted towards the Ordinary Resolution to approve the Rights Plan. The Exchange may require some amendment to the proposed Rights Plan or may withhold acceptance. The directors may, if deemed advisable by the Board, execute and deliver an agreement (the “Shareholder Rights Plan Agreement”) to be effective on execution, in which case the resolution which the shareholders will be asked to pass will be to ratify the Shareholder Rights Plan Agreement.

The Board of Directors recommends that you vote FOR the Ordinary Resolution to approve and adopt the Shareholder Rights Plan Agreement.

The following is the text of the Ordinary Resolution to be considered by the shareholders at the Meeting:

"BE IT RESOLVED, as an Ordinary Resolution of the holders of common shares of Bravada Gold Corporation (the "Company"), that:

1. the adoption by the Company of the Shareholder Rights Plan (the "Rights Plan") substantially as described in the Information Circular of the Company is hereby approved, and the Company is hereby authorized to enter into an agreement with Computershare Investor Services Inc. or such other rights agent as the directors of the Company may determine; and
2. the Directors of the Company are authorized to execute and deliver an agreement creating the Rights Plan but may revoke this resolution before it is acted upon, without further approval of the shareholders."

The Management Appointees named in the accompanying Instrument of Proxy intend (in the absence of direction to the contrary) to vote FOR the above resolution at the Meeting.

MANAGEMENT IS NOT AWARE OF ANY OTHER MATTER TO COME BEFORE THE MEETING OTHER THAN AS SET FORTH IN THE NOTICE OF MEETING. IF ANY OTHER MATTER PROPERLY COMES BEFORE THE MEETING, IT IS THE INTENTION OF THE MANAGEMENT APPOINTEES TO VOTE THE SHARES REPRESENTED BY THE FORM OF PROXY ACCOMPANYING THIS INFORMATION CIRCULAR ON ANY BALLOT THAT MAY BE CALLED FOR IN ACCORDANCE WITH THEIR BEST JUDGMENT ON SUCH MATTER.

#### GENERAL

**Unless otherwise directed, it is the intention of the Management Appointees to vote proxies in favour of the resolutions set forth herein.** All ordinary resolutions require, for the passing of the same, a simple majority of the votes cast at the Meeting by the shareholders. All special resolutions require, for the passing of the same, a 2/3 majority of the votes cast at the Meeting by the shareholders.

## SCHEDULE "A"

### AUDIT COMMITTEE CHARTER

#### A. PURPOSE

An audit committee is a committee of a board of directors to which the board delegates its responsibility for oversight of the financial reporting process. Traditionally, the audit committee has performed a number of roles, including:

- (a) helping directors meet their responsibilities;
- (b) providing better communication between directors and the external auditors;
- (c) enhancing the independence of the external auditor;
- (d) increasing the credibility and objectivity of financial reports; and
- (e) strengthening the role of the directors by facilitating in-depth discussions among directors, management and the external auditor.

National Instrument 52-110 *Audit Committees* ("NI 52-110") requires that the audit committee also be responsible for managing, on behalf of the shareholders, the relationship between the issuer and its external auditors. In particular, it provides that an audit committee must have responsibility for:

- (a) overseeing the work of the external auditors engaged for the purpose of preparing or issuing an auditors' report or related work; and
- (b) recommending to the board of directors the nomination and compensation of the external auditors.

Although under corporate law, an issuer's external auditors are responsible to the shareholders, in practice, shareholders have often been too dispersed to effectively exercise meaningful oversight of the external auditors. As a result, management has typically assumed this oversight role. However, the auditing process may be compromised if the external auditors view their main responsibility as serving management rather than the shareholders. By assigning these responsibilities to an independent audit committee, NI 52-110 ensures that the external audit will be conducted independently of the issuer's management.

NI 52-110 provides that an audit committee must be directly responsible for overseeing the work of the external auditors engaged for the purpose of preparing or issuing an auditor's report or performing other audit, review or attest services for the issuer, including the resolution of disagreements between management and the external auditors regarding financial reporting. Notwithstanding this responsibility, the external auditors are retained by, and are ultimately accountable to, the shareholders. As a result, NI 52-110 does not detract from the external auditors' right and responsibility to also provide their views directly to the shareholders if they disagree with an approach being taken by the audit committee.

The Board of Directors (the "Board") of Bravada Gold Corporation (the "Company") is responsible for the management of the business and affairs of the Company. The Audit Committee (the "Committee") is appointed by the Board as an independent and objective party to assist in fulfilling the Board's responsibility for oversight of the Company's financial reporting process.

The Company must comply with the applicable requirements of NI 52-110 which includes having a written charter that sets out the Committee's mandate and responsibilities. As of the date above, the Company is a Venture Issuer as that term is defined under NI 52-110. Accordingly, it is exempt from the requirements of Part 3: Composition of the Audit Committee and Part 5: Reporting Obligations of NI 52-110. The Board may, at any time, amend or rescind any of the provisions hereof, or cancel them entirely, with or without substitution.

#### B. AUTHORITY

1. The Committee, through its Chair, may directly contact any officer or employee of the Company as it deems necessary or advisable to fulfill its duties and responsibilities, and any officer or employee may bring before the Committee any matter involving questionable, illegal or improper financial practices or transactions;
2. The external auditors will report directly to the Committee. The external auditors shall have a direct line of communication to the Committee through its Chair and may bypass management if deemed necessary; and
3. The Committee may engage, at the Company's expense, outside legal counsel or other advisors as the Committee considers necessary to fulfill its duties and responsibilities and to negotiate compensation arrangements for any such advisors.

#### C. COMPOSITION AND MEETINGS

1. The Board, at its organizational meeting held in conjunction with each annual general meeting of the shareholders, shall appoint the members of the Committee for the ensuing year. The Board may at any time remove or replace any member of the Committee and may fill any vacancy in the Committee;
2. The Committee shall be composed of three or more members of the Board, a majority of whom are not officers or employees of the Company or of an affiliate of the Company. The members of the Committee shall appoint from among themselves a Chair of the Committee. The Chair shall have responsibility for ensuring that the Committee fulfills its principal duties and responsibilities effectively;

3. A minimum of two and at least 50% of the members of the Committee present either in person or by telephone or other telecommunication device at a Committee meeting shall constitute a quorum;
4. If and whenever a vacancy shall exist in a Committee meeting, the remaining members of the Committee may exercise all of its powers and responsibilities provided a quorum has been established;
5. Any matters to be determined by the Committee shall be decided by a majority of votes cast at a Committee meeting called for such purpose. Actions of the Committee may be taken by an instrument or instruments in writing signed by all of the members of the Committee, and such actions shall be effective as though they had been decided by a majority of votes cast at a Committee meeting called for such purpose. All decisions or recommendations of the Committee shall require the approval of the Board prior to implementation;
6. The time and place at which a Committee meeting shall be held, and procedures at such meetings shall be determined from time to time by the Committee. A Committee meeting may be called by email, telephone, facsimile, letter or other communication means, by giving at least 48 hours notice. Notice of a Committee meeting shall not be necessary if all of the members are present either in person or by telephone or other telecommunication device or if those absent have waived notice or otherwise signified their consent to the holding of such meeting;
7. The Committee may invite such officers, directors and employees of the Company and its subsidiaries as it may see fit, from time to time, to attend at Committee meetings;
8. The Committee shall keep minutes of its meetings which shall be submitted to the Board. The Committee may, from time to time, appoint any person who need not be a member, to act as a secretary at Committee meetings;
9. The Committee shall meet at least quarterly, at the discretion of the Chair or a majority of its members, as circumstances dictate or as may be required. Any member of the Committee or the external auditors may request a meeting of the Committee; and

## **SCHEDULE "B"**

### **SUMMARY OF THE RIGHTS PLAN**

Please see "Approval and Authorization of Shareholder Rights Plan" in the Information Circular to which this Schedule is attached for a discussion of the Rights Plan and the reasons for the Board of Directors recommending its approval.

Capitalized terms used but not specifically defined in this Schedule shall have the meanings ascribed thereto in the Information Circular.

The following summary of the Rights Plan is qualified in its entirety by reference to the complete text of the Shareholder Rights Plan Agreement to be entered into between the Company and Computershare Investor Services Inc. as rights agent or such other rights agent as the directors of the Company may determine, in connection with the Rights Plan (if approved by the shareholders). The Shareholder Rights Plan Agreement shall govern in the event of any conflict between the provisions thereof and this summary. The directors may, if deemed advisable by the Board, execute and deliver a Shareholder Rights Plan Agreement to be effective on execution, in which case the resolution which the shareholders will be asked to pass will be to ratify the Shareholder Rights Plan Agreement. A shareholder may obtain a draft or, if applicable, executed copy of this Shareholder Rights Plan Agreement by contacting the Secretary at 1100-1199 West Hastings Street Vancouver, British Columbia, V6E 3T5.

#### ***Term***

If approved at the Meeting, the Rights Plan will be adopted immediately following the Meeting and (subject to earlier termination in accordance with its terms) will remain in effect until termination of the annual meeting of shareholders in 2022 unless the shareholders vote by Ordinary Resolution at that meeting to extend the term.

#### ***Issue of Rights***

One right (a "Right") will be issued by the Company in respect of each common share of the Company that is outstanding at the close of business on the date of the Shareholder Rights Plan Agreement (the "Record Time"). One Right will also be issued for each additional common share (or other voting share of the Company) issued after the Record Time and prior to the earlier of the Separation Time (as defined below) and the time at which the Rights expire and terminate.

The issuance of the Rights is not dilutive and will not affect reported earnings or cash flow per share unless the Rights separate from the underlying shares in connection with which they were issued and become exercisable or are exercised.

The issuance of the Rights will also not change the manner in which shareholders currently trade their common shares, and is not intended to interfere with the Company's ability to undertake equity offerings in the future.

#### ***Separation Time / Ability to Exercise Rights***

The Rights are not exercisable, and are not separable from the shares in connection with which they were issued, until the "Separation Time", being the close of business on the date that is 8 trading days after the date a person becomes an Acquiring Person (as defined below) or announces an intention to make a take-over bid that does not qualify as a Permitted Bid (as defined below), or such later time as the Board of Directors may determine.

#### ***Acquiring Person***

A person will be considered to be an Acquiring Person for the purposes of the Rights Plan if they, together with their associates, affiliates and joint actors, acquire beneficial ownership (within the meaning of the Rights Plan) over 20% or more of the outstanding voting shares of the Company other than pursuant to a Permitted Bid or another type of transaction that is excepted under the Rights Plan.

In general terms, a person will not be considered to be an Acquiring Person for the purposes of the Rights Plan if it becomes the holder of 20% or more of the voting shares by reason of: (i) a reduction of the number of voting shares outstanding; (ii) an acquisition under a Permitted Bid (as defined below); (iii) an acquisition in respect of which the Board of Directors of the Company has waived the application of the Rights Plan; (iv) an acquisition under a dividend or interest reinvestment plan or a stock dividend or similar pro rata event; (v) an acquisition from treasury that does not result in an increase in the person's proportionate shareholdings; or (vi) the exercise of convertible securities that were themselves received by the person pursuant to such a transaction; provided, however, that any subsequent increase by 1% or more in the person's shareholdings (other than pursuant to an exempt transaction) will cause the person to be an Acquiring Person for the purposes of the Rights Plan.

### ***Consequences of a Flip-in Event***

A “Flip-in Event” refers to any transaction or event pursuant to which a person becomes an Acquiring Person. Following the occurrence of a Flip-in Event as to which the Board of Directors has not waived the application of the Rights Plan, each Right held by:

- (a) an Acquiring Person (or any of its associates, affiliates or joint actors) on or after the earlier of the Separation Time or the first date of public announcement that an Acquiring Person has become such, shall become null and void; and
- (b) any other shareholder shall entitle the holder thereof to purchase additional common shares from the Company at a substantial discount to the prevailing market price at the time.

### ***Permitted Bid Requirements***

An offeror may make a take-over bid for the Company without becoming an Acquiring Person (and therefore subject to the consequences of a Flip-in Event described above) if it makes a take-over bid (a “Permitted Bid”) that meets certain requirements, including that the bid must be:

- (a) made pursuant to a formal take-over bid circular under applicable securities laws;
- (b) made to all registered holders of voting shares (other than the offeror); and
- (c) subject to irrevocable and unqualified provisions that:
  - i. the bid will remain open for acceptance for at least 105 days from the date of the bid;
  - ii. the bid will be subject to a minimum tender condition of more than 50% of the voting shares held by independent shareholders;
  - iii. the bid will be extended for at least 10 business days if more than 50% of the voting shares held by independent shareholders are deposited to the bid (and the offeror shall make a public announcement of that fact); and
  - iv. any shares deposited can be withdrawn until taken up and paid for.

A competing take-over bid that is made while a Permitted Bid is outstanding and satisfies all of the criteria for Permitted Bid status, except that it may expire on the same date (which may be less than 105 days after such bid is commenced) as the Permitted Bid that is outstanding (subject to a minimum bid period of 35 days from commencement), will be considered to be a “Permitted Bid” for the purposes of the Rights Plan.

### ***Certificates and Transferability***

Before the Separation Time, the Rights will be evidenced by a legend imprinted on share certificates issued after the effective date of the Shareholder Rights Plan Agreement. Although Rights will also be attached to common shares outstanding on the effective date, share certificates issued before the effective date will not (and need not) bear the legend. Shareholders will not be required to return their certificates to be entitled to the benefits of the Rights Plan.

From and after the Separation Time, Rights will be evidenced by separate certificates.

Before the Separation Time, Rights will trade together with, and will not be transferable separately from, the shares in connection with which they were issued. From and after the Separation Time, Rights will be transferable separately from the shares.

### ***Waiver***

A potential offeror for the Company that does not wish to make a Permitted Bid can nevertheless negotiate with the Board of Directors to make a formal take-over bid on terms that the Board of Directors considers fair to all shareholders, in which case the Board may waive the application of the Rights Plan. Any waiver of the Rights Plan’s application in respect of a particular take-over bid will constitute a waiver of the Rights Plan in respect of any other formal take-over bid made while the initial bid is outstanding.

The Board of Directors may also waive the application of the Rights Plan in respect of a particular Flip-in Event that has occurred through inadvertence, provided that the Acquiring Person that inadvertently triggered the Flip-in Event thereafter reduces its beneficial holdings below 20% of the outstanding voting shares of the Company within 14 days or such other date as the Board of Directors may determine.

With shareholder approval, the Board of Directors may waive the application of the Rights Plan to any other Flip-in Event prior to its occurrence.

***Redemption***

Rights are deemed to be redeemed following completion of a Permitted Bid (including a competing Permitted Bid) or any other take-over bid in respect of which the Board of Directors has waived the Rights Plan's application.

With requisite approval, the Board of Directors may also, prior to the occurrence of a Flip-in Event, elect to redeem all (but not less than all) of the then outstanding Rights at a nominal redemption price of \$0.0001 per right.

***Directors' Duties***

The adoption of the Rights Plan will not in any way lessen or affect the duty of the Board of Directors to act honestly and in good faith with a view to the best interests of the Company. In the event of a take-over bid or any other such proposal, the Board of Directors will still have the duty to take such actions and make such recommendations to shareholders as are considered appropriate.

***Amendments***

The Company may, prior to the Meeting, amend the Shareholder Rights Plan Agreement without shareholder approval. If the Rights Plan is approved at the Meeting, amendments will thereafter be subject to shareholder approval, unless to correct any clerical or typographical error or (subject to confirmation at the next meeting of shareholders) make amendments that are necessary to maintain the Rights Plan's validity as a result of changes in applicable legislation, rules or regulations.

After adoption, any amendments will also be subject to any requisite approval of any stock exchange on which the shares of the Company are then trading.
